Notes on MNS (2016)

Anirudh Yadav

October 31, 2018

1 Overview and results

Main results:

1. In standard NKM there is an outsized response of output/consumption to forward guidance.

2 Result #1

Need to replicate Figure 1. Some notes:

- They use a standard NKM as in Gali, linearized around zero-inflation steady state
- I think I should use AIM/Dynare to do this part
